

# 3-WAY WINCH MOUNTING BRACKET

Constructed out of high impact strength polymer, the arresta® 60' Galvanized 3-Way Rescue Winch is nearly indestructible. It comes with robust galvanized steel cable or high-strength technora rope, the small snap hook has a load indicator, and the swivel anchorage eye assists in mounting. This unit conforms to ANSI Z 359.14-2014 Class B & ANSI Z 359.14-2014 SRL-R respectively.

## DESIGN SPECIFICATIONS:

- Universal mounting bracket designed to mount 3-way rescue winch (SKU 57638 and 57639) to the ARRESTA® megapod (SKU 57636) leg.
- Detent pin arrangement for easy installation on Megapod leg.

## MATERIAL:

- Heavy Duty Alloy Steel Construction

## FINISH:

- ED Coated Black

## WEIGHT:

- 10 lbs

## COMPLIANCE:

- Standard: Meets or exceeds ANSI Z359.14-2014
