

**DURABLE & VERSATILE AT A GREAT PRICE**

# 28" PVC SAFETY CONES

PowerPak's NEW 28" PVC Safety Cones save your budget while providing the same durability, versatility and safety you've come to expect from a PowerPak safety cone. These traffic cones won't shatter in the extreme cold, and they won't melt in the hottest summer days, saving you from downtime and additional costs on the jobsite.

1. 28" height and 7 lb weight
2. Available in 3M Hi-Intensity reflective and Engineer Grade reflective
3. Double collar reflective for increased visibility
4. Durable weather resistant PVC construction
5. In-house custom stenciling available
