

STEP-N-LOCK Vertical Panel **22338**28lb STEP-N-LOCK Rubber Base **22339**43lb STEP-N-LOCK Rubber Base **22564**

# STEP-N-LOCK VERTICAL PANEL - 12" X 24"

- 12" x 24" Impact resistant blow molded polyethylene panel
- STEP-N-LOCK foot hole, simply step down and lock the panel into the base
- STEP-N-LOCK design ensures the panel remains vertically locked in place
- Recessed reflective sheeting on both sides
- Two handles on top allow for easy handling and placement of the panel
- Rubber bases (sold separately) ensure the panel remains in place and minimizes movement due to strong wind or passing vehicles
- 28lb Rubber Base - 22339
- 43lb Rubber Base - 22564
