

SPECIFICATION SHEET

18" D-RING EXTENDER

Tested as per ANSI Z 359.1-07

The ARRESTA® 18" D-Ring Extender quickly and easily adds length to the back D-Ring of harnesses. This enables easier lanyard attachment while wearing a harness. The snap hook component of the 18" D-Ring Extender attaches directly to the harness dorsal D-Ring. The 18" D-Ring Extender becomes the new connection point to the harness. Simply connect your lanyard to the D-Ring on the extension and you're ready to go. Not for use in leading edge / foot-level tie-off applications.

DESIGN

25mm wide polyester webbing having steel snap hook at one end & a D-Ring at the other end

WEBBING

Material: Polyester
Width: 1"
Breaking strength: 6,000 lb

STITCHING THREAD

Material: High-tenacity polyester

METAL COMPONENTS

Material: Alloy Steel
Finish: Golden Yellow Galvanized
Breaking strength: 3,600 lb
DR 016: 5,000 lb

VITAL TEST COMPLIANCE

Static Strength: 5,000 lb for 1 minute

WEIGHT

1.2 lb ± 0.35 oz
